

## **2009 - SOL**

### **FURNITURE & DASHBOARD POLISH**

#### **Description:**

**SOL** is a scented product specially designed to polish, clean, protect and beautify all types of furniture, including wood, leather, plastic, rubber, stainless steel etc.

#### **Advantages:**

- Non-corrosive, non-toxic.
- Makes surfaces antistatic and repels dust.
- Polishes, cleans, protects and beautifies.
- Safe to the environment.
- Leaves surfaces smooth and shiny.

#### **Alternative applications:**

**SOL** can also be used as a car dashboard polish and cleaner with exceptional results.

#### **Usage:**

Spray **SOL** from a distance of 15-20 cm and then wipe off surface smoothly with a clean cloth.

#### **Caution:**

Avoid contact with skin and eyes. Do not breath vapors. For further instructions refer to Material Safety Data Sheet (MSDS).
